August 2009

Dear audience member:

Our third CD recording, 'Nun komm!': an appeal for subscriptions

Our first CD 'Bach arranging and arranged' was released in November 2008. We have had many pleasing responses, including some in the music press (see the accompanying sheet); our publisher Hyphen Press Music was chosen as 'CD label of the year' in the Prelude Classical Music awards for 2009. In a cultural climate in which such things are often hardly noticed, this may be considered a success. We thank all of you who contributed to its making.

We are now working hard on the production of the second CD 'Every one a chaconne'. In September advance copies will go to subscribers and be available at our concerts then.

In November, in the days following our concert 'Nun komm!', we will be recording that programme for our third CD, to be released in the autumn of 2010. We are again inviting you to help us make this CD by subscribing to it. Subscribers will enjoy these things:

- one copy of the CD
- your name will be listed in the CD booklet
- you will be invited to a launch party in London

We hope you will want to support this venture!

Nicolette Moonen
